

## Savonburg Library Benefits From Stimulus

Savonburg Public Library received ARRA Stimulus money through the Southeast Kansas Community Action Program. Pictured, from left, are Jeanie George, library board member, Robin Betts, library director, Travis Allen of SEKCAP, Kathy Hale, library board treasurer, Aaron McConnell of SEKCAP, and Debbie Root, library board member.

The funds will be used to hire two student library assistants during the summer months and purchase 150 DVD's and 70 audio books.

Students hired for the library assistant positions will be from households that are at or below 200 percent of federal poverty income guidelines, between the ages of 16-21, and live within a 10-mile radius of the library.

Though the town of Savonburg has only 89 citizens, the library has 230 patrons, demonstrating its far reach. Citizens from neighboring towns of Elsmore, Stark and Walnut are regular users, Betts said.
