

Contemplating Your Next Career Move

We would like to help!

Digital Imaging Training

Digital Imaging Training will enable you to understand concepts related to electronic record management and transform information into an electronic format. The program begins with on-site classroom training along with other core courses. The off-site training provides hands-on experience in a professional production work environment. You will master skills to secure a marketable job related to digital information. Speed and accuracy are very important.

Basic Criteria:

- At least 18 years of age
- High School Diploma/GED
- Must be able to pass a drug test
- Must have basic computer skills
- Current resident of Guilford County
- Income below or at 200% of the federal poverty level
- Clean criminal background check within the last 7 years
- Must have a recent work history (employed 2 out of the last 3 years)
