Poverty Summit

Empowering Communities for Economic Opportunity

Join members of your community for the second Poverty Summit to be held on June 14th at the Capitol Plaza Hotel, in Jefferson City, Missouri. This event is hosted by the Missourians to End Poverty coalition.

The day will include a keynote address by Collins Tuohy, lunch, and discussion workshops on the following topics:

Food

Health

Education

Housing & Energy

Family & Economic Security

The day's workshops will cover innovative ideas that various communities across Missouri have employed to alleviate the impact of poverty on their citizens.

These types of programs keep children in school able to graduate, help elderly remain at home and independent longer, and improve health by making it possible for families to access fresh food through community garden projects.

Keynote speaker Collins Tuohy, shares a very close bond with adopted brother Michael Oher. As chronicled in *The Blind Side*, it began when she first met Michael at Briarcrest Christian School in Memphis, Tennessee. Collins serves on the Board of Directors for the *Making it Happen Foundation* and contributed to the New York Times bestseller, *In a Heartbeat: Sharing the Power of Cheerful Giving*.
